

mpixpro

Where discerning photographers belong.

Prints

We offer over 30 standard digital print sizes. We use only *professional printers* with high quality Kodak Endura and Ilford B&W papers. Our years of experience in color management give us the ability to create the best finished print in the industry.

photographic prints

Choosing the right paper for the perfect photograph means the difference between a good print and a great one. We offer three different papers to ensure archival quality that stands the test of time.

Product Highlights

- E-Surface, Metallic, and True B&W
- Prints sizes from mini/wallets to 30x45"
- Linen texture & lustre coating available
- Quantity pricing available

gallery mats

Present your photographs in a luxurious gallery-quality mat. Your photo is inserted into a custom cut, beautifully beveled, 6-ply mat and is available in black and white.

Product Highlights

- 5x5" print to 8x8" mat, 5x7" print to both 8x10" & 12x12" mats, 8x10" print to 11x14" mat, 11x14 to 16x20 mat
- 1/8" foam core finish on the back

fine art prints

Our Fine Art Prints are printed with large format inkjet printers on Fine Art Paper. Fine Art paper is similar in look and feel to watercolor paper, and is a great alternative for fiber-based printing. This paper is more fragile than traditional photographic prints, and must be handled with care.

Product Highlights

- Available in 12 sizes (8x10" to 24x36")
- Foam board mounting available

photo greeting cards

Holidays, special celebrations, studio promo cards, senior announcements, wedding thank you's and even a simple thank you, Photo Greeting Cards personalize a message like nothing else can. Simply design your card, and let us do the rest.

Product Highlights

- Available in 5 sizes
- E-Surface, Metallic or True B&W
- Envelopes included

mounting options

We offer 6 mounting options for your photographic prints. They include Single & Double Weight Matboard, Canvas on Matboard, Styrene, Foam Core, Canvas Gallery Wraps and Standouts.

frames

Custom Frames provide a polished setting for your photographs. Whether the style is ornate, simple or modern, the frame should be the perfect backdrop that puts your photograph front and center.

Product Highlights

- Choose from no glass, regular glass and non-glare glass
- Optional Black or White Mat in 2" width

standouts

Photographs are mounted on 1.5" thick, lightweight Gatorfoam edged in black or white smooth trim. Just like its name, Standouts will make your photograph standout.

Product Highlights

- Available in 9 sizes from 8x8" to 20x30"
- E-Surface, Metallic or True B&W
- Lustre coating option

gallery wraps

Gallery Wraps bring a contemporary edge to your photographs. This frameless presentation is ideal for professional photographers whose clients have gallery-quality expectations.

Product Highlights

- Printed on canvas
- Wrapped around 1.5"/2.5" width wooden stretcher frame
- Arrives ready-to-hang
- No minimum quantity

gallery wrap collections

Creating a wall gallery for your clients is simple with our Gallery Wrap Collections. Frameless design, timeless images and an elegant presentation will draw rave reviews from your clients.

Product Highlights

- Available in 5 collections
- Designed for wall spaces 20x20" to 45x24"
- Designed for 1" space between canvases
- Printed on canvas substrate
- Wrapped around 1.5" width wooden stretcher frame

Press

MpixPro Press offers *premium papers* that give your images archival quality, vibrant colors, and the clarity demanded by professional photographers. Choose any of these papers to perfectly match your client's needs and highlight your images.

New! **luxe** cards

Your customers deserve a high end card, something that shows off the beauty of your images in a unique way. Our Luxe Cards give you an option for a stylish card that is just different enough to stand out.

Product Highlights

- Available on all Press papers
- Five different shape options – rectangle, ornate, square, circle & scalloped
- Printed at 5x7 and 5x5
- Envelopes included
- Options for pre-punched hanger hold
- UV Coating optional
- Boutique Packaging optional

layflat books

Layflat Books are truly spectacular. Exactly what their name implies, they lay flat so photographs aren't distorted by binding or creased by a hinge.

Product Highlights
